Film: President's father not Barack Obama

"Who's your real Daddy?" is a question that remarkably continues to dog Barack Obama, even as he proceeds into his fourth year as president. | With the release this July of Joel Gilbert's full-length documentary, "Dreams from My Real Father: A Story of Reds and Deception," the mystery deepens regarding who Obama really is. | "The film provides the first cohesive understanding of Obama's deep-rooted life journey in socialism, from his childhood to his presidency," Gilbert told WND.
