Who is Barack Obama's real father?

April 26, 2012

By [admin](#)

In December 2008, Israel Insider asked the question [Is Obama the secret son of Malcolm X?](#) and presented all the evidence it had collected in support of the proposition. Even pictures of Obama besides Malcom X for comparison.

And now we learn from Jerome Corsi, WND, that perhaps [Frank Marshall Davis is the real father.](#)

With the release this July of Joel Gilbert's full-length documentary, "Dreams from My Real Father: A Story of Reds and Deception," the mystery deepens regarding who Obama really is.

"The film provides the first cohesive understanding of Obama's deep-rooted life journey in socialism, from his childhood to his presidency," Gilbert told WND.

Gilbert rejects the official story that the Kenyan-born Barack Obama was the president's father.

Instead, he argues, Frank Marshall Davis, the radical poet and journalist who was a card-carrying member of the Communist Party USA, was the real, biological and ideological father of Barack Obama.,
