## 'Dreams From My Real Father' Director's New Project: Obama's Secret Muslim Wedding Ring

SUBMITTED BY *Miranda Blue* on Wednesday, 10/10/2012 11:57 am

WorldNetDaily's intrepid birther Jerome Corsi is out with a new report today, [in which he uncovers](#) (<http://www.wnd.com/2012/10/obamas-ring-there-is-no-god-but-allah/>) that President Obama's wedding band is actually inscribed with the Arabic for "There is no god except Allah."

Corsi's source for this revelation? None other than [all-purpose anti-Obama conspiracy theorist](#) (<http://www.rightwingwatch.org/content/joel-gilbert-speculates-obama-may-have-been-behind-aurora-shooting>), Joel Gilbert. Gilbert has recently achieved [some success](#) (<http://www.thedailybeast.com/articles/2012/09/28/with-dreams-from-my-real-father-have-obama-haters-hit-rock-bottom.html>), with his film "Dreams From My Real Father," in which he claims that the president's real father was labor activist and communist organizer Frank Marshall Davis. The film is currently being sent to households around Ohio, with the help of an undisclosed source of funding, and recently received the [enthusiastic endorsement of the chairman of the Alabama Republican Party](#) (<http://www.rightwingwatch.org/content/alabama-gop-chairman-promotes-fringe-birther-movie-calls-it-factual-and-frightening>). Gilbert, apparently, believes that Obama is [not only a hard-core Marxist](#) (<http://www.rightwingwatch.org/content/joel-gilbert-change-code-word-revolution-end-capitalism>), but also a secret Muslim:

"Dreams from My Real Father" producer Joel Gilbert, an Arabic speaker and an expert on the Middle East, was the first to conclude that Obama's ring, reportedly from Indonesia, bore an Islamic inscription

...

Filmmaker Joel Gilbert, an expert on Islamic history, noted Obama wore the ring during his high-profile speech in Cairo on June 4, 2009, in the first months of his presidency.

"Now we have a new context for what Obama meant when he told the Islamic audience in Cairo that he has 'known Islam on three continents,'" Gilbert said. "He also told the Cairo audience that he considered it part of his responsibility as president of the United States 'to fight against negative stereotypes of Islam wherever they appear.' All religious Muslims are by definition required to defend Islam."

Before he turned his attention to the president's supposed Communist genetics, Gilbert directed a number of [Bob Dylan documentaries](#) ([http://talkingpointsmemo.com/archives/2012/09/dylanology\\_the\\_birther\\_conspiracy.php](http://talkingpointsmemo.com/archives/2012/09/dylanology_the_birther_conspiracy.php)) and "[Atomic Jihad](#)," (<http://www.youtube.com/watch?v=Pq8Y2JZbwY>) a film accusing President Obama of appeasing Iran.

Corsi has previously speculated that the same ring, which the president has been pictured wearing before his marriage to Michelle Obama, is proof that he was [once married to his male Pakistani roommate](#) (<http://www.rightwingwatch.org/content/scott-lively-pushes-claim-obama-was-once-married-man>).
