STRYPER: 'Live In Indonesia At Java Rockin' Land' DVD Due In October - Aug. 24, 2012

MVD Visual has set an October 23 release date for the "Live In Indonesia At Java Rockin' Land" DVD from Christian hard rockers **STRYPER**.

Celebrating almost 30 years of incredible melodies and musicianship, "Live In Indonesia" features hits and rarities delivered in impeccable sound and video.

Recorded in front of an enthusiastic crowd in 2010, this is the definitive **STRYPER** DVD.

"This show was an unexpected, but welcomed, addition to our tour schedule," said **STRYPER** singer, guitarist and songwriter **Michael Sweet**. "It was added last minute and we scrambled to make it happen, but I'm glad it worked out. It was an opportunity to go to a primarily Muslim country and share our faith. **Java Rockin' Land** was a highlight moment of our career and I'm thrilled that we were able to capture its on video. It's definitely one of the better live performances by the band in a long time, and the fact that it was captured on video makes it even more exciting. I think the fans are going to really enjoy it."

Without a doubt, **STRYPER** is one of the top Christian rock bands of all time, and certainly the most celebrated Christian metal band of all time. Comprised of **Sweet** (vocals/guitar), **Oz Fox** (guitar), **Tim Gaines** (bass), and **Robert Sweet** (drums), **STRYPER** has been rocking since 1983, and is responsible for such '80s metal classic albums as "Soldiers Under Command", "To Hell With The Devil", "In God We Trust" and such MTV hit singles/videos as "Calling On You", "Free" and "Honestly".

After a sabbatical for much of the 1990s, **STRYPER** returned strong in the early 21st century. But it was not until their 2011 covers set, "The Covering", that the aforementioned definitive **STRYPER** was reinstated, as the band welcomed **Gaines** back into the fold.

...they'll release "Live In Japan" on DVD.

Here's a video of them on the Wally George show from '84.
