**STRYPER**, the yellow and black soldiers under command, the reason for the season, the rock that makes us roll, will have their 'Live At Java Rockin' Land' DVD released in the UK on March 25th.

Released within an angel's wingspan of 'Second Coming', the band's first album for Frontiers Records, the new DVD, filmed live in Indonesia in 2010, is the must-see visual experience of the year!!!

Celebrating almost 30 years of incredible melodies and musicianship, the multi-platinum heavy metal band Stryper is one of the most celebrated Christian rock bands of all-time.

Comprised of Michael Sweet (vocals/guitar), Oz Fox (guitar), Tim Gaines (bass) and Robert Sweet (drums), Stryper has been rocking since 1983 and is responsible for such '80s metal classic albums as 'Soldiers Under Command,' 'To Hell with the Devil,' 'In God We Trust' and such MTV hit singles/videos as 'Calling on You', 'Free' and 'Honestly'.
