NEW YORK—AVN Awards 2012 co-host Bree Olson heads up the cast of *Tight*, a mockumentary from Wild Eye Releasing about a group of porn stars who form an all-girl rock band and hit the road to promote their music. The movie arrives on DVD Sept. 25.

Monica Mayhem, Tuesday Cross, Alicia Andrews and Layla Labelle make up the titular band, with Olson playing their manager. The quartet actually competed in and won Howard Stern's "XXX Factor" talent competition in April, after which a new lead singer, Kelley Jean, took Mayhem's place. The band plans to head out on tour in concurrence with the release of the movie and a new single titled "Down to the Bottom," which is available [here](#).

Called "the best mockumentary since *Spinal Tap*" by the *New York Post*, *Tight* comes loaded with DVD extras, including deleted scenes, bonus videos, unseen concert footage, sexy image galleries, trailers and four pages of liner notes.
