

Tight

(<http://www.dvdsnapshot.com/wp-content/uploads/2012/09/Tight.jpg>) **Official Synopsis:**

Tight follows Monica Mayhem, Tuesday Cross, Alicia Andrews and Layla Labelle as they temporarily take leave of the adult industry and try to make it as rock musicians, sweating it out in the clubs under the management of one of the biggest names in the adult industry, and former Charlie Sheen Goddess, Bree Olson.

Our Take:

Bree Olsen. A quartet of porn stars. A rock band.

You can pretty much write your own review, can't you? But, if you want my opinions, I can tell you that Tight is a decent documentary (and I use the term loosely) about four adult films stars who are thrown together into a rock group by Bree Olsen and given a very short time to learn to play together and go play some gigs. And that's about it.

The film follows their journey together, as they rehearse, plan, and market their shows, with Olsen popping in to take them shopping, and give them money and advice. So you get three great-looking women (two of them are kind of ugly) talking, fighting, and swearing a lot, with some occasional nudity thrown in for good measure. It's not exactly a good film, but it satisfies a certain reality TV/train wreck sweet tooth.

Special Features:

- deleted scenes
- bonus videos
- unseen concert footage
- sexy image galleries
- trailers

- four pages of liner notes

Conclusion:

Tight isn't really a film. It's just a bunch of cameras pointing at some porn stars playing really crappy music. But if you think that can't be entertaining in its own way, you'd be wrong.

Overall Picture:

Movie: **C**

Extra Features: **B+**
