Holy fucking antichrist in a bucket of bloody shit! Bill Zebub, for those of you who don't know, is something of an underground maestro of metal and the macabre. He is an underground filmmaker (and belligerent anti-Xtianist) whose movies are gritty, evil, violent and sexually abrasive. Rape and Satanism are not uncommon themes with Mr. Zebub. But he is also a HUGE, mondo metalhead and his appreciation has been expressed through his cinematic efforts. Bill Zebub has more than one metal documentary under his belt, including "Metal Retardation", the predecessor to this more EXTREME METAL RETARDATION! I love it when sequels are generated without just slapping on a number. Schweet! The "Metal Retardation" franchise boasts Bill and crew – and by crew I mean sexy, majorly fuckable metal bitches – engage in absurd antics – called interviews – with bona fide big league metal acts. EXTREME METAL RETARDATION proudly presents the likes of Dimmu Borgir, King Diamond, Arch Enemy, Kreator, Enslaved, Voivod, Enthroned and fucking more! Be sure to read the packaging really close, there on the bottom right hand corner, the list of bands interviewed, down at the bottom there ....
