After making its debut on the film festival circuit last year, director Gorman Bechard's documentary about [The Replacements](#), *Color Me Obsessed*, will finally hit DVD on November 20th via MVD Entertainment Group. The two-hour film combines over 140 interviews with musicians (Colin Meloy, Craig Finn, Tommy Ramone, Grant Hart, Patrick Stickles), journalists (Robert Christgau, Greg Kot, Jim DeRogatis), actors (Tom Arnold, Dave Foley, and George Wendt), and veteran fans.

The DVD expands on the film, containing 19 deleted scenes, three complete interviews (Grant Hart, Robert Christgau, Greg Kot & Jim DeRogitis), behind-the-scenes interviews with the director and producer, two commentaries, and four trailers.
