

Newest installment from The Tails of Abbygail is a big hit

THE TAILS OF ABBYGAIL | FEBRUARY 1, 2013 | BY: SUNSHINE SIMMONS |

Once the theme song began, silence fell over the crowd of children ages 2-9, and they remained glued to the story that unfolded.

RATING FOR THE TAILS OF ABBYGAIL-THE ADVENTURES OF POOKIE LU LITTLE...AND MORE!

The kids gathered around excitedly, whispering about their favorite characters and parts of the first five movies in [The Tails of Abbygail](http://www.examiner.com/topic/the-tails-of-abbygail/articles) (<http://www.examiner.com/topic/the-tails-of-abbygail/articles>) series. As I popped [The Tails of Abbygail-The Adventures of Pookie Lu Little...and more!](http://www.examiner.com/topic/the-tails-of-abbygail/articles)

(http://www.amazon.com/dp/B0091JJ232/ref=tsm_1_fb_lk), the latest installment in *The Tails of Abbygail* series, they giggled about their favorite Abbygail memory. When the movie started, silence fell over the group.

The Tails of Abbygail series is one of the most watched set of movies in our home. *The Adventures of Pookie Lu Little...and more!* continues the educational adventures of the little Jack Russell Terrier and her ever growing group of family and friends.

Once the theme song began, silence fell over the crowd of children ages 2-9, and they remained glued to the story that unfolded. They fell in love with Pookie Lu and Abby Little right from the start, and all dreamed that they had Pookie Lu's bedroom. Pirate Dog is still the overall favorite among my classroom for boys, and Girlfriend for the girls.

I was excited to see a new cast of characters with a recap of the first 5 movies woven throughout *The Adventures of Pookie Lu Little...and More!*. The new songs were a favorite among my entire classroom, and the kids begged me to let them watch it again. I have a feeling that *The Adventures of Pookie Lu Little...and More!* will be the most watched episode of the series. They have been singing the songs ever since.

If you haven't introduced your children to *The Tails of Abbygail*, I suggest you add the series to your library. Written and directed by local mom, Terri Lynn Link, *The Tails of Abbygail* is a wholesome educational story about a little dog named Abbygail, and the magic that happens when her friends come to life. Several of the animals in the films have been rescued, and *The Adventures of Pookie Lu Little...and more!* not only introduces new characters, but chronicles their journey to the animal shelter.

Get your copy of *The Tails of Abbygail-The Adventures of Pookie Lu Little...and more!* today on [Amazon \(http://www.amazon.com/dp/B0091JJ232/ref=tsm_1_fb_1k\)](http://www.amazon.com/dp/B0091JJ232/ref=tsm_1_fb_1k) and enter the world of *The Tails of Abbygail*. For more information, you can learn all about Abbygail at [weloveabby.com \(http://weloveabby.com/\)](http://weloveabby.com/). *The Tails of Abbygail* has been aired on CBS, won multiple awards such as Kids First and the Dove award.

Portland Parenting Examiner received review copies of *The Adventures of Pookie Lu Little...and more!* at no charge for the purpose of reviewing. This review is based on a viewing party with 15 children ages 2-9.
