HONG KONG CONFIDENTIAL has lots of interesting ingredients that, combined, make for an interesting movie. Set against the exotic backdrop of Hong Kong, one of the world's most famous cities and a key example of East meets West, HKC already has a leg up with a great setting. Then layer in a human drama about a Hong Kong woman who is awakened from the day by day of Hong Kong life and finds her very cultural paradigms challenged. This is triggered by her involvement with an Englishman she meets in her city. HONG KONG CONFIDENTIAL goes for complexity and human intimacy, as well as more universal eyes as it looks to how cultural identity shapes personal identity. It's a tale that functions on many levels.
