[Pawn Shop \(Redd Media\)](#)

I know comedy alerts come around infrequently with me, excepting the twisted humor I find in the twisted movies I watch. But occasionally I'll get a comedy in for review, and such is the case with PAWN SHOP. It's character driven comedy, at least in part, as a threesome of clashing personalities get on each others' nerves in, naturally, a pawn shop. Unfortunately for the poor pawn shop folks, big crime is about to rock their world. They become entangled with the city's top crime lord is the victim of thievery and the stolen jewelry traps the innocents at the pawn shop in the midst of bad shit. Recommended for fans of urban comedy.
