Sexsquatch: The Legend of Blood Stool Creek (2013, SRS Cinema)

Coming (or should I say "Cumming") March 26th from **MVD** and **SRS Cinema** is director Chris Seaver's follow up to *Terror at Blood Fart Lake* and *Return to Blood Fart Lake*, appropriately titled *Sexsquatch: The Legend of Blood Stool Creek*. Why do I have a feeling Mr. Seaver needs to find a good proctologist?

Sexsquatch takes place at...you guessed it...*Blood Stool Creek*, which looks like it is probably just the backyard of one of the cast or crew members. A group of friends get together to have a "get laid" party for their nerdy pal Joey Jeremiah. But trouble arises when a *Sasquatch* by the name of *Stinkfist* (who likes to kill and sodomize) appears. The group of victims include Joey's slutty mother, a long haired Robert DeNiro wannabe, a Mulletted/Mustacioed redneck, DeNiro and Redneck's big boobied play thing, a pair of latent homosexuals and a hot, pink haired vixen.

Sexsquatch is pretty much exactly what you'd expect. Only problem is - THERE'S NO NUDITY! What the fuck? Ok so there are titties being grabbed, slapped and played with but not once do we see them exposed. There are also lots of disgusting cum/shit/fart/incest/gay jokes and other tasteless humor. Other than the lack of nudity, this film ruled! The dialogue was so immaturely hilarious that I was laughing out loud pretty much from start to finish (it's only an hour long, BTW so it doesn't wear out its welcome). The no budget gore FX were fun to watch but what really stuck out was the *Sexsquatch* himself. I must give them credit for that costume (though the beard actually belonged to the actor as we see in the blooper reel). If you want a fun movie to sit around and watch with your friends and a case of beer, you won't find a funnier one than this (that is assuming you have the maturity of a 15 year old boy like I do).

Oh, by the way - *Varla Darling*, I think I am in love with you.

RATING: 9/10
