DVD Review: SEXSQUATCH: THE LEGEND OF BLOOD STOOL CREEK (2012)

SEXSQUATCH: THE LEGEND OF BLOOD STOOL CREEK

Directed by [Chris Seaver](#)

Distributed by [SRS Cinema](#) / [MVD Entertainment](#)

Yes, you read that correctly. I am actually reviewing a movie called SEXSQUATCH: THE LEGEND OF BLOOD STOOL CREEK. I had a feeling from the title that this was going to be an awful movie, and while I really wanted to dislike this film, I have to admit....I kinda

liked it!

Here is the basic plot of the film from the MVD website:

Joey Jeremiah's friends have gathered near Blood Stool Creek for a party weekend to throw their ambitious friend a "get laid" party.

Teens... woods... beer... sex... what could possibly go wrong? Well the wooded area that plays host to their good times houses a sinister beast. He's bloodthirsty, intelligent, eloquent, covered in hair, and HORNY as hell... it's SEXSQUATCH!

Now don't get me wrong....this is not a good movie by any means. But what makes it fun is that it is not supposed to be a good movie. The acting is horrible, but it is supposed to be. If they were trying to make a serious movie here, then it would be awful....but this is a comedy more than anything. It is made to be campy and corny and it succeeds.

The humor is pretty crude, but what do you expect going into a movie with this title. If you aren't easily offended, then you will probably get some enjoyment out of this one. I don't know what it was about this film, but it had a certain charm to it. It looked like a group of friend just got together to make a movie, and the result was SEXSQUATCH. It is low budget....really, low budget, but it works. If you are looking for a silly, crazy, goofy, cheesy, gross, immature, funny movie, then SEXSQUATCH is for you!

Have you watched anything else from Chris Seaver? I watched MULVA: ZOMBIE ASS-KICKER, and vowed never to watch another one of his films again. LOL maybe I just started with the wrong flick.
