Sadako 3D proves you can't keep a bad ghost down the well.

INDIES

- **ATTACK OF THE JURASSIC SHARK (Tomcat/Tempe, May 28):** The latest from indie auteur Brett Kelly pits art thieves and college students against a prehistoric killer fish.
- **AXE GIANT: THE WRATH OF PAUL BUNYAN (Virgil, June 18):** The mountain man is a monstrous maniac who doesn't like it when youthful offenders on a boot-camp trip invade his territory, courtesy of director/co-writer Gary Jones.
- **THE BIG BAD (Phase 4, June 4):** Director/producer Bryan Enk and writer/producer/star Jessi Gotta present a modern variation on the Red Riding Hood fable, about a young woman seeking vengeance for her slaughtered family.
- **BLOOD FOR IRINA (Autonomy, May 28):** See page 52. Blu-ray/DVD combo with commentary, a location featurette, outtakes and deleted scenes.

Dark Skies Keri Russell can't get those malevolent forces out of her hair.

Photo: Copyright Dimension

- **THE CORPSE GRINDERS 3 (Alpha, May 28):** Director Manolito Motosierra picks up Ted V. Mikels' saga and relocates it to a Spanish village where two maniacs have inherited the grinding machine. With a Mikels interview and outtakes.
- **EXHUMED (Wild Eye, June 18):** See page 72. Includes filmmaker/cast commentaries and a one-hour documentary. Director Richard Griffin's *Dr. Frankenstein's Wax Museum of the Hungry Dead* is also out on DVD and Blu-ray from Scorpio; go to www.scorpiofilmreleasing.net.
- **GUT (Vanguard, May 28):** See page 8. Includes commentary, featurettes and a short film.
- **THE INFLICTED (Osiris, May 21):** Writer/director Matthan Harris also stars as a psychopath stalking a girl who has escaped his clutches, with Bill Moseley, Sid Haig, Doug Bradley and Giovanni Lombardo Radice in support.
- **MOLD (Wild Eye, May 21):** New DVD release of Neil Meschino's sticky sci-fi shocker about spores gone wild in a government lab, with commentary and a featurette.
- **NAILBITER (Lionsgate, May 28):** A tornado shelter holds hungry terror behind the walls for a mother and her three daughters in Patrick Rea's feature, with filmmaker and cast commentaries and a featurette.

FANGORIA PRESENTS

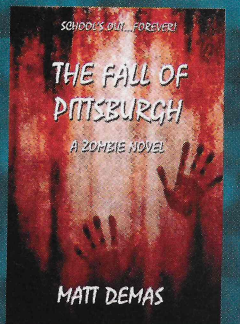

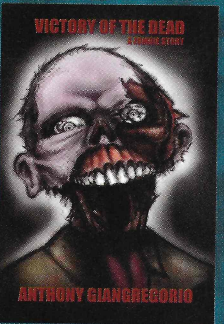

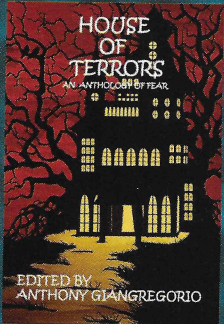

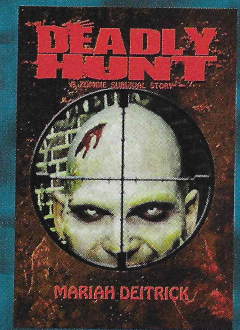

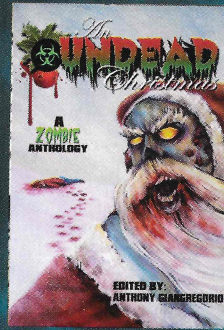

- **ENTITY (Brainstorm/Naedomi, June 11):** Our latest release is Steve Stone's creepy combo of found footage and traditional narrative; see page 30.

For reviews of more new discs, see page 54. For the complete, updated on-line schedule of DVD/Blu-ray releases, head over to www.fangoria.com/new/category/moviestv/chopping-list.
