By Uncle Creepy May 16th, 2013

Ah, Thursday. You're like the signpost that leads us into the weekend. To show you how much we love you, we're going to give you the gift of Mold! Well, really a clip with Mold! in it. The gross and disgusting kind.

Synopsis

It's 1984, and the war on drugs just got weird. A classified government project is under way to create a new weapon to combat the drug cartels. That weapon is a fast-growing, genetically engineered strain of mold designed to wipe out coca...

After self-distributing the film online a year ago, the Neil Meschino horror comedy starring Ardis Campbell, Robert Fattorini, Chris Gentile, and Lawrence George will finally spread its special brand of nasty green on DVD May 21st courtesy of Wild Eye Releasing.

The disc will include a commentary track, a behind-the-scenes featurette, and trailers.
