

**Iggy And The Stooges**  
*Live In Detroit 2003*

The Stooges' triumphant reunion homecoming gets captured here in this odd, 11-inch picture disc. While picture discs are often riddled with sound issues, in this case it almost adds to the grit of songs such as "1969," "I Wanna Be Your Dog" and "Real Cool Time." This real cool package also includes a DVD of the show. (MVD)
