# Kut U Up - Worse Than Wolves // Limited to 500 Clear & Black Vinyl LP

Cool punk release here on a badass piece of wax. Take a listen.

### The Details

Limited to 500 numbered copies - Includes Download Card

Kut U Up returns after a ten year hiatus with their sophomore release Worse Than Wolves. Recorded at Double Time studios under the masterful ears of Jeff Forrest this EP features six tracks, some unheard, some live show mainstays. They have refined their signature sound by adding melody, intricate guitar work, rotating vocals, and pounding drums, all while keeping the loose attitude and high volume rawness.

NOTE: For all orders OUTSIDE THE US, all costs are the same but the item will take 3+ weeks to reach you. - See more at: <http://aggronautix.com/products.cfm?productid=87#sthash.Go2eVld.dpuf>
