

The CRAZIEST movies that you will ever see...

If you, or anyone you know were ever involved in indie movies, then this flick is **MANDATORY** viewing!

"I really appreciate this movie. I caught myself laughing out loud quite a bit. This will open a lot of people's eyes. It's a comedy, but it's educational as hell."

- Dave Parka

"Bill Zebub is the Bill Hicks of independent cinema. He takes jabs at everybody in the low budget arena in his signature envelope-pushing style, complete with tons of naked women. It's a hilarious story! 9-out-of-10"

Ants inhabit a wimp. They defend their nest when he is attacked. Will he use his power for good or for evil?

The most realistic documentary about the most sensationalized style of metal. Almost 4 hours of blasphemy!

A gogo dancer quantum leaps into the body of Jesus, and she has fun warping biblical events. TYR makes a cameo...

The singer of GWAR plays the role of Satan in this offensive flick. Not recommended for brainwashed viewers.
