*Showgirls* fans rejoice! Rena Riffel, who played minor character Penny Slots in the original film, has written, produced, and directed a sequel to the classic B-movie, aptly titled *Showgirls 2: Penny's From Heaven*. And yes, she reprises her original role. This time, Penny heads to Los Angeles to chase her own dreams of stardom in what appears to be a cinematic amalgamation of the original *Showgirls*, *Black Swan*, *Mulholland Drive*, and *Beyond the Valley of the Dolls*.

After watching the trailer, I got to thinking: which other great cult movies deserve unnecessary sequels? Here are a few ideas, complete with the perfect casting opportunities.
