I, ZOMBIE

AN ANDREW PARKINSON FILM

"GEORGE ROMERO meets KEN LOACH"

- MJ SIMPSON, BRITISH HORROR REVIVAL

I ZOMBIE, DEAD CREATURES and VENUS DROWNING

Collectors of rare horror DVD's are in for a real treat in 2014 as Jinga prepares to

release a trilogy of body horror films by veteran genre director Andrew Parkinson.

Recognised as one of the founding fathers of the 1990's British horror revival, the director has re-mastered each DVD and packed it with added value, including behind the scenes footage and commentaries. Moreover, the trilogy includes the previously unreleased VENUS DROWNING which received such acclaim at Fantastic Fest in Austin. -
