From Jinga Films, Ltd.! The films in the 'Andrew Parkinson Trilogy' were written and directed by UK filmmaker Andrew Parkinson between 1998 and 2006. Choose from: I, Zombie (1998) in which a man slowly succumbs to a zombie bite, feeding on innocents to slake his hunger; Dead Creatures (2001), in which a group of women suffering from an illness that forces them to murder and feed on human flesh, turn to each other for support; and Venus Drowning (2006), in which a suicidal woman forms a twisted bond with a limbless creature she finds on the beach.
