

Following the success of his Lola nominated erotic drama BEDWAYS (released in North America by Strand) German actor, director and provocateur RP Kahl's debut feature ANGEL EXPRESS has been given a North American street date of February 18th 2014, fifteen years after its completion.

Set in the newly reunified Berlin, ANGEL EXPRESS follows a top photographer, a hooker, a businessman and a novice gun-runner caught up in a whirlpool of deadly events as they seek the ultimate experience.

The release of ANGEL EXPRESS continues the work of DVD label, Jinga [Films](#) who specialize in identifying important independent [European film](#)-makers and releasing their earlier films in North America.
