From the team that brought you the 8 time Best picture thriller, House of Good and Evil, comes a hilarious romp through the world of horror short films and the hillbillies who love them. Volume 1 of the 12 Volume series just released in the UK and will be out in North America on DVD Oct 21st.

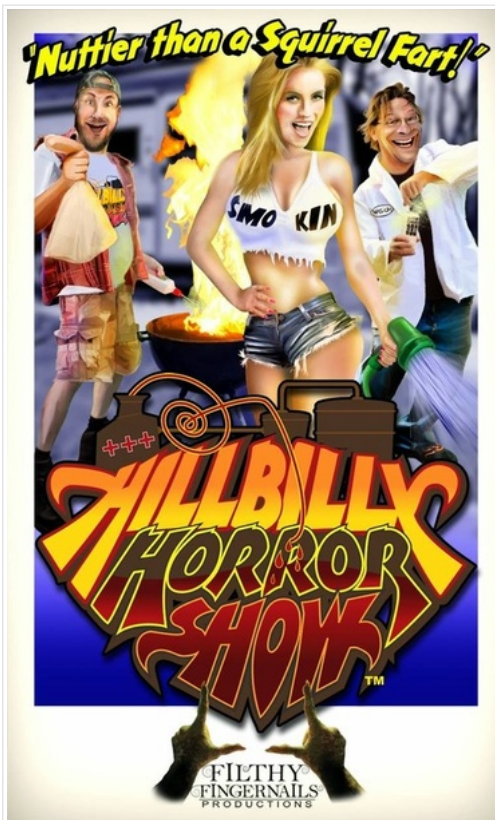

Available for rent through [www.TheHorrorShow.TV](http://www.TheHorrorShow.TV) (<http://www.thehorrorshow.tv/>), (The iTunes for horror films) for just 99p.

Volume 1 kicks off strong with Franky and the Ant ("Best of Fest" – 2013 LA Indie Film Fest), followed by the outstanding animated horror short, Doppelganger. Next, we bring on a fun little homage to the zombie genre with Amused. Finally, we close out with a BUZZ and introduce you to The Nest ("Best Foreign Short" – 2011 Atlanta Shortsfest).

Hillbilly Horror Show is hosted by Bo Keister, The Cabining, Scott Geiter, AKA Voice Of Horror at Gruesome Hertzog Radio and international swimsuit model Rachel Faulkner (recently featured in Maxim Magazine).

In between the films hilarity ensues as our hillbilly family comments on the films, drink beer, and whip up a tasty batch of skunk stew! Not to mention, there are LOTS of great views of Lulu to take in!!! Hell, our show is so hot, the poor darlin' can hardly stand to wear clothes!

So, if you're into great horror and laugh-out-loud comedy, then Hillbilly Horror Show is for you! Series releases in North America on DVD mid October. Also keep an eye out for the mobile game app "Fetchin' Lulu" coming in August on Apple and Android. Help Bo rescue Lulu from their evil Uncle Cletus, while he throws beer cans at Bo in an attempt to thwart the rescue. Here's a look at the series trailer.
