## Living Colour at CBGB live set to be released!

One of the Rev's fave gang of hard rockin' funkateers, **Living Colour**, will be represented by the second live set of the band's career when **Music Video Distributors** releases *Live August 18, 2005* as part of "The Bowery Collection" in their acclaimed CBGB OMFUG Masters series.

Documenting a 2005 CBGB benefit show, the career-spanning collection features Living Colour vocalist Corey Glover and extraordinary guitarist Vernon Reid pounding out the band's trademark brand of hard rock, metallic funk, hardcore punk and radical reggae. Among the twelve songs included on *Live August 18, 2005* are Living Colour hits like "Glamour Boys" and "Cult Of Personality" as well as socially-conscious material like "Open Letter To A Landlord" and "Sacred Ground."

*Live August 18, 2005* is a pristine soundboard recording guaranteed to peel the plaster from the walls of your humble abode...but you'll have to wait until October 28, 2008 to hear it!
