## Grant Hart - Hot Wax (2009)

Submitted by Пава on Thu, 22.10.2009 - 12:48

**Grant Hart**, the former drummer and songwriter for indie pioneers **Hüsker Dü**, has been less prolific than former bandmate/rival Bob Mould in the 20 odd years since the band's breakup. Nonetheless, Hart still recorded 5 releases both as a solo artist and with his band Nova Mob to a modicum of indie success. Hart's been relatively quiet this decade, performing at a benefit concert for the late Soul Asylum bassist Karl Mueller, and working with Godspeed You! Black Emperor.

This is Hart's sixth solo album, recorded in Minneapolis and Montreal. **It includes contributions from members of Godspeed You! Black Emperor, A Silver Mt. Zion, and Rank Strangers.**
