Grant Hart - (Condor/MVD Audio)

Hot Wax

John Sekerka

Funny, after all these years the reclusive one still produces enough spark with every sporadic release to ignite old Hüsker Dü appetites. Opting for song craft over sonic mood, and employing intriguing guests (Godspeed You! Black Emperor) to full effect, *Hot Wax* may well be his most realized work since the fabulous *Intolerance*. The sound is a bit muffled (purposely methinks), requiring some attention before the hooks seep forth. By now it's clear Hart is a romantic balladeer, and not the anguished drummer Dü fans long for. Nevertheless, this should tide everyone over for another decade.
