Grant Hart
Date/Time:Sat., December 19, 9:00pm
Price: \$12

Grant Hart
BY KORY GROW

When he was the drummer-vocalist of post-hardcore archetypes Hüsker Dü, Grant Hart played the role of songwriting foil to the ever-bitter vocalist-guitarist Bob Mould. When Mould frowned ("Celebrated Summer"), Hart would half-smile ("Terms of Psychic Warfare"). Since that band's split, Hart has continued the head-in-the-clouds, semi-optimistic singer-songwriter style that defined Dü's lighter moments. If anything, his music has become more psychedelic over the past two decades (his latest, *Hot Wax*, also boasts Farfisa organ in spades), but it's still not too much of a stretch from what he did in Hüsker Dü. With Shilpa Ray & Her Happy Hookers.
