Bob Mould: He's covered a lot of ground, from angry avant-punk with Husker Du to sweeter stuff with Sugar to solo acoustic. The latter pose is how we'll met him here, as he also screens his new DVD, "Circle of Friends," which captures him in concert with a rocking band. World Cafe Live, 3025 Walnut St., 7:30 p.m. Sunday, \$15, 215-222-1400.
