

## **My, What a Busy Week!**

October 11 - October 17

### **LONE HUSKER**

From unlikely punk icon to solo artist to knob-twisting electronic musician, **Bob Mould** has spent the last couple of decades all over the map. This show is billed as "an intimate solo performance," which likely means he'll be stripped of all those titles, and just be Bob Mould.

**SM w/a screening of his live concert DVD, *Circle of Friends*;**

**Doug Fir Lounge, 830 E Burnside, 9 pm, \$15**
