Special Episode of Pure Pod for Now People!

POSTED BY MERCURY AT 8:00 AM

If **BOB MOULD**'s influence only extended from his work with his legendary post punk band **HUSKER DU**, his legacy would be unsurpassed. But throw in his introspective solo work that was way ahead of its time, and the unspeakable sonic brilliance of his power trio **SUGAR**, and he is without a doubt one of the most influential artists of the last 30 years.

On tour to support his new DVD *CIRCLE OF FRIENDS* (Doug Fir, Sunday Oct. 14), Bob conducted an interview with Matt Slessler of Pure Pod For Now People over CB RADIO no less! The pair discuss Pro Wrestling, YouTube, and a little music. Welcome to a very special (and **40th**) episode of **PURE POD FOR NOW PEOPLE!**
