This brand new superb DVD showcases one of Hip-Hop's original legends Method Man. Born Clifford Williams back on April 1st 1971, Meth' is indeed an award winning rapper, a producer, an actor and of course one of the hardest working and most visible members of the infamous rap collective Wu-Tang Clan. His career has been one of remarkable achievements including being the only rapper chosen to feature on one of Hip-Hop's most classic albums; 'Ready To Die' by The Notorious B.I.G., as well as featuring on Tupac's 'All Eyez On Me' album on the superb track 'Got My Mind Made Up'. Method Man's career has without doubt been an interesting one with beef's
