### Music DVD Review: Johnny Winter – Live Through The '70s

Dec 26, 2008, 10:17pm Music @ Blogcritics.org

Blues guitar legend, Johnny Winter, finally gets some due justice on DVD. "Born cross-eyed and albino, Johnny Winter (John Dawson Winter III) disregarded Mother Nature's unkindness to forge a career as one of the few great white blues-rockers." I thought that this quote from The Johnny Winter Story website summed it up quite nicely. I have not followed Johnny Winter's career as closely as I should have,...
