Johnny Winter

Live Through the '70s

Blues

Sun Rating: 3 1/2 out of 5

Johnny Winter DVDs are about as common as, well, albino blues guitarists from Texas. So this archival collection of European and American TV footage -- including appearances on Beat Club, Soundstage, Don Kirschner's Rock Concert, Musikladen and Rockpalast -- is a must for fans. Bonus points for the epic version of Frankenstein with brother Edgar -- and those wild '70s threads.

Willie Nelson & Wynton Marsalis

Live From Jazz at Lincoln Centre, NYC

Blues

Sun Rating: 5 out of 5
