Win Cat Stevens Live on DVD

Posted on 09.17.08 by Widge @ 11:45 pm

Yusuf Islam, the former Cat Stevens, is 60 this year. MVD has released a live concert of his from 1971 to celebrate. And we happen to have a spare copy here with which you can have your own Cat Stevens birthday party. All you have to do is win. And to win you just have to enter and have your name drawn from our digital magic hat here. But never fear--you can enter once a day and increase your chances.

Rules:

- 1) You have to fill out the form *properly* for the entry to be valid.
- 2) We are not going to give away or sell your address or e-mail address or anything without your permission.
- 3) You can only enter once a day. A day here means from midnight to midnight, Eastern Standard Time. For those of you who need it spelled out to you, that means one person per street address AND e-mail address. If we catch you trying to jive us on an entry, or if you enter more often than once during that day, we will throw out each and every one of your entries. And we will find you out. So.
- 4) Contest is open to U.S. and Canadian residents only who are 18 or over. Sorry.
- 5) Contest ends at 11:59PM EST, on Friday, October 17, 2008.

That is all of it. For legalese, [click here](#).
