Bob Dylan

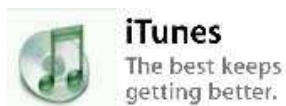

Inside Bob Dylan's Jesus Years: Busy Being Born...Again! DVD

Review by Gary Hill

I doubt many would have thought in the 1960's that Bob Dylan would eventually embrace Christianity and turn his musical skills to Christian music. The truth is, that's exactly what happened. This documentary gives a Christian perspective on those years. They talk to his pastor, people who were involved in the music and others. In many ways this is a spiritual story as much as a musical one. For those reasons I'd say this would appeal both to Christians and Dylan fans.
