Best of GG Allin & The Murder Junkies DVD

Rating: 5 stars

GG Allin was a rebel, he was shocking, he was sick, he was odd & he's dead. Honestly, someone like GG Allin, I have no idea how he made a name for himself, I'm amazed kids would go to see his live shows because his live shows consisted of GG beating the crowd up, literally, while he was naked, & sometimes he's perform oral sex onstage with male or female audience members, he'd take a crap and/or urinate onstage, & hic vocals were harder than a Bottle of 20 year old Apple Juice! This dvd is a compilation of various concert clips from the man & his band & the coolest feature on this dvd is a brand new interview with GG's Mom! The song titles are disgusting, the performances are lewd & this dvd is pure GG Allin at his best, or worst, however you might view it! MVD Entertainment Group(MVD) has created a limited-edition 2-color poster for the GG Allin and The Murder Junkies "Best of" DVD release. For a limited time, fans who purchase the DVD at Interpunk.com can receive the poster for just \$2 more (covers mailing expenses for poster tube). You can get that poster by going to:

Regardless, he might be gone, but his legacy is not forgotten!
