Thanks to Wienerworld, I have **3 copies of KISS Resurrection DVD's** to give away. All you have to do is answer the questions below and submit your entry, it's as easy as that!

From the early 70s, KISS has been the spectacle for all to see, with their elaborate fire-breathing and blood spitting, bombastic stage show, and larger than life personas. In the mid 80s however, KISS removed the make-up, changed a few members, and went on stage in a different form - perhaps even losing touch with what KISS originally stood for.

For years, fans hoped and prayed that someday, there would be a return of the superheroes they once knew. Then, in 1996, those wishes became a reality! KISS was resurrected and came back full force with the make-up, elaborate costumes and their trademark stage show!

Here we will take you through the journey of the band's resurrection with the reunion press conference on the S. S. Intrepid, a behind the scenes look at the KISS stage setup, gear and road crew! KISS meet and greets and candid "uncut" interview footage with all four original members!! This DVD is KISSTORY in the making!

KISS Resurrection is OUT NOW!

You've got until **4th April** to get your entry in, good luck!

Big thank you to Jacob at Wienerworld for arranging the prizes.
