## Weekend DVD Giveaway: Win *Flyin' Cut Sleeves* Now

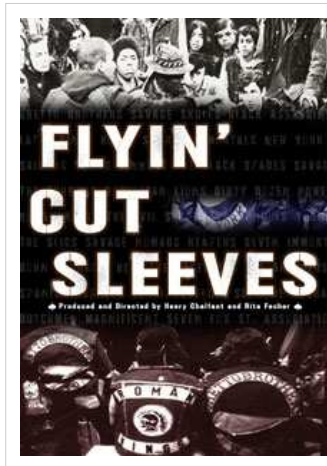

By [Ryan](#) - Friday November 06th 2009

Great documentary that finally sees a proper release by MVD Group just this year: *Flyin' Cut Sleeves* is a 60-minute portrait of gang life in the Bronx in the 1970s, with a follow-up view of the gang leaders in the 1990s and a discussion as to how their lives have been shaped as a result of their past activities. Completed in 1993, the footage jumps from 1989 to the 1970s, back to 1989, right on up to 1992, back down to 1974...you get the idea. This is from the same team that brought you *Style Wars*.

[Send me an e-mail](#) with your first and last name and mailing address for a shot at the DVD; contest closes end of day.

Happy Friday.
