

### **HARLEY'S WAR HARDCORE ALL-STARS (CROMAGS) CD**

Well Harley Flanagan was the bass player and then singer for one of NYC firsts hard core bands THE CRO-MAGS who broke out of the 80's hard core scene and also they were one of the first's hc/punk bands to cross-over to the metal scene that inspired 1000's of bands in today's scene.

Well Harley's new project features some of the scene hard hitters helping him out and putting some brutal music back into the scene. Well this cd feature Harley on bass, Rocky George, Crazy Jay Skin, and Ryan Kriegen with guest players like Vinnie from AF and Nickey Fitz from the BUSSINESS as well.

On the record you'll get 7 songs from the ALL STARS as well as some solo stuff recorded from the 82-83 eras, as well as live STIMULATORS songs featuring a young Harley on drums. Well this is real hard core with a lot of history. (EX) HARD CORE LOUD FAST RECORDS [www.cromags.com](http://www.cromags.com) (BW)

### **BRING IT ON (PAY BACK) CD**

Just brutal hard core out of MD with just a mosh it up sound of power and rage that have an AF, MAD BALL and MOD feel. (VG) HC DFF RECORDS [www.DFFrecords.net](http://www.DFFrecords.net) (BW)

### **CRANKED UP (A CALL FOR SOLIDARITY) CD**

Just great punk rock out of PA that features Pat and Jason from VIOLENT SOCIETY and Andy from DEAD EMPTY who will give you some killer US meet UK style punk action. Well CRANKED UP have just a great punk sound with just a fasts and catchy beat with killer melodies that gives off a DOA, GI'S, CLASH, US BOMBS and TOXIC REASONS feel. Worth checking out if you like killer punk with good melodies. (EX) PUNK CREEP RECORDS [WWW.CREEPRECORDS.COM](http://WWW.CREEPRECORDS.COM) (BW)

### **THE DESCENDENTS (COOL TO BE YOU) CD**

Well long before punk was cool THE DESCENDENTS were, well by far these guys were and still are one of the best's punk acts still going and this new album is proof. Well Cool To Be You have all the great songs and song writing and melodies as theirs early records with an older and more wiser attack going on. Well being a bit older than most punk bands out there today THE DESCENDENTS can teach a few bands what really pop punk is all about. But kids new to this band, if you like NOFX, PENNYWISE, BLINK 182 than you will love this band even more. (EX) PUNK FAT WRECK CHORDS (BW)

### **THE BOLIDES (SCIENCE UNDER PRESURE) CD**

Fast and catchy noisy alternative rock that have a new wave to garage sound with hints of punk and psychedelic as well. But fans of THE CRAMPS, FLIPPER, MC5, CYNICS, and DWARVES will all enjoy this wild band. (VG) ALTERNATIVE DIONYSUS RECORDS (BW)

### **THE KICKZ (ACTIVATE ME) CD**

Fuck yea; this band is just pure rock n roll suicides cool with a straight up sonic punk rock n roll sound that's have a safety pin and razor blade new wave feel. Well THE KICKZ singer Ian vocals have a cool feel and sound to them that really push the band's sound to a new level of rock n roll glory. But with some killer guitar hero action as well THE KICKZ kick it with just a leather jacket and spit attitude of fasts and catchy pogo punk rock n roll with just excellent melodies and super back-ups.

So if you enjoy needle and pins punk / rock n roll like GEN X, STIFF LITTLE FINGERS, THE BUZZCOCKS, THE BOYS, RIVER CITY REBELS, LES STITCHES, DIME STORE HALOES than inject these guys into yours rock n roll vain. ### **SLAP SHOT (DIGITAL WARFARE) CD**

SLAP SHOT returns with a new record called Digital Warfare that pure old style hard core for a new generation. Well Choke and crew break out the hard core hockey sticks and shoot out some new SxE anthems of just in ya face hard core. But coming out of the 80's hc scene, SLAP SHOT sound hasn't changed at all. Well SLAP SHOT power and Choke vocals are what hc is made of, just a raw and fasts sound with great melodies that will have a new generation of kids slapping X's on their hands.

Well like the 7SECONDS song "young till I die" SLAP SHOT still have the same power since day one. But fans of BOLD, YOUTH OF TODAY, UC, MINOR THREAT, BLACK FLAG, FU'S, and SSD will love SLAP SHOT hard core power as well. But on Digital Warfare you'll find 12 great tunes including a cover of MINOR THREAT'S "straight edge". Just killer hard core from one of the scene's bests bands. (EX) HARDCORE BRIDGE NINE (BW)

### **MENTAL (GET AN OXYGEN TANK) CD**

This is probably one of the best's new hard core records I heard in a long time. Well "get an oxygen tank" by MENTAL just have an 80's feel of power with a straight edge style that have a lot of power and rage and just screaming vocals that's truly old school. But MENTAL sound just has the same old school feel as... GIS, AF, DYS, with hints of YOUTH OF TODAY and TOKEN ENTRY as well. (EX+) HARD CORE BRIDGE NINE RECORDS (BW)

### **SOME KIND OF HATE (UNDISPUTED) CD**

MAXHC with a creepy crawly feel of 80's style power and rage that have the same hard core fury as MURPHY'S LAW, THE FU'S, UNDERDOG, LEEWAY and a pre-metal GANG GREEN. (VG) HARD CORE BRIDGE NINE RECORDS (BW)

### **TRAVISTY THEORY (SILVER SPOON) CD/DVD**

Well this Miss band have an indie rock sound with an edgy guitar rock feel added to just a southern alternative rock sound. Well TRAVISTY THEORY have that guitar bar rock sound with something else added in, but you can hear elements of THE BLACK CROWS, OASIS, THE WALL FLOWERS and at times BOWIE. But this cd contains 11 rock tunes that falls between bluesy meeting alternative rock.

As a bonus you get a DVD entitled "Volume and Velour" that feature 3 music videos, interviews and other cool stuff. (GD+) ALTERNATIVE P.G.O.L. RECORDS (BW)

### **THE SCREAMING TRIBESMEN (THE SAVAGE BEAT OF THE...) CD**

Well long before THE VINES and JET were Aussie rock idols making it big, there was a band called THE SCREAMING TRIBESMEN who helped led the way for those bands and many more. Well not getting the attention as some Aussie bands the TRIBESMEN were part of the early underground scene that inspired many garage bands world-wide.

Well this is a collection of songs from 82 to 84 that includes studio, rare, unreleased like... igloo, my true love's blood, love life, I don't wanna know and more as well as a live set that feature a few cool live originals and cover's like... psychotic reaction, some kinda fun, see the way, everything and more great songs all on one killer collection of garage rock anthems. Well THE SCREAMING TRIBESMEN raw and savage garage rock sound have just a 60's punk feel of garage greatness of just raw Aussie punk power.

But fans of THE FLESHTONES, SAINTS, ANIMALS, TROGGS, RADIO BIRDMAN, THE VINES and SLICKEE BOYS will enjoy this band as well. This is just punk history at its best. (EX) GARAGE ROCK / PUNK SHOCK RECORDS [WWW.SHOCK.COM.AU](http://WWW.SHOCK.COM.AU) (BW)

### **OUTLIE (COMPANIONS TO DEVILS AND SAINTS) CD**

Pretty decent guitar fueled punk rock with a lot of fast licks and killer melodies that have a new meet old school CA punk sound with that raw and aggressive punk fire, that have it's catchy side as well. But fans of CH-3, AGENT ORANGE, SOCIAL DISTORTION, OFFSPRING, PENNYWISE, and BAD RELIGION will enjoy this band's CA punk styles as well.

But THE OUTLIE will just give you some punk anthems with just a sound and fury of skate to slam dancing hits with all the classic licks and guitar riffs you came to love from so many killer west coast bands. (VG+) PUNK PORTER HOUSE RECORDS PO BOX 3597 HOLLYWOOD, CA 90078 (BW)

### **HELL STOMPER (THE REAL HILLBILLY MOTHERFUCKER) CD**

Just shit kicking, face bashing hell raising punk rock n red neck roll with just that southern punk out law feel added in. well this band just give you punk and chaos on 20 southern punk outlaw anthems that have the same feel as... ANTISEEN, COOKNOOSE, NASHVILLE PUSSY and TWIN 6 just mean and hard out law punk with a six gun attitude. But along the punk fire tune, you also can find a few acoustic tracks of rebel punk madness. (VG+) PUNK STEEL CAGE RECORDS (BW)

### **PUNK ROCK IS YOUR FRIEND (KUNG FU SAMPLER #5) CD**

Here's another cd of all yours favorite's punk bands... well this cd sampler feature such bands as... ### **HOT DAMNI (THE GIRL CAN'T HELP IT) CD**

Boy hadn't heard anything from this band in a long while. But the guys and gals of this hot action rock n roll band play just hot action punk rock n roll with just a sexy fast action feel of fatal female fronted punk rock. But the furious female rock of HOT DAMN have just that old school punk feel of short and fasts songs, that also has hints of garage and psychedelic rock added in.

But HOTT DAMN puts the sex into rock n roll again with even hotter music that have the same feel as... FEAR, X CIRCLE JERKS, L7, AVENGERS, TSOL, SIN 34, PANDORAS with also the same sick or nastiness of THE CRAMPS and DEMO DOLL RODS. But HOT DAMNI Will give you songs about sex, monsters and rock n roll wildness, but this band just keep it sleazy and untarned with some of the bests punk you will ever hear. (EX+GREAT) STEEL CAGE RECORDS (BW)

### **AVOID ONE THING (CHOPSTICK BRIDGE) CD**

Great punk rock from AOT featuring Joe Gittleman from the ska-core band THE MM BOSSTONES, well this record is just full of great and catchy punk tunes with sort of an old school 80's US punk feel, meeting the beat and catchiness of those cool early UK punk bands.

But with male and female vocals you get quality punk like US BOMBS, VICE SQUAD, X, DROPKICK MURPHYS, with even a few having REPLACEMENTS beat. (VG+) PUNK SIDEONE DUMMY RECORDS (BW)
