Love Stana Katic on TV's "Castle"? Here's a Movie With Her!

(<http://www.flockedmedia.com/2012/05/26/love-stana-katic-on-tvs-castle-heres-a-movie-with-her/kerry/>) Stana Katic's character travels to Ireland to find out about her best friend that got murdered. It was ruled as an accident, but Emma (Katic's character) thinks that it was murder. Will she find out what secrets are being kept? Will she learn what really happened to Kerry? In order to find out you will need to watch "Truth About Kerry."

This riveting film can be found through MVD (<http://mvdb2b.com/>). I enjoyed it. It kept me wondering. And just as she is wonderful as Detective Kate Beckett on "Castle," she continues to prove her acting abilities in this film.
