It's Off To Work You Go

You're out of school, on your own, and you need a job—but not just any job. The Perfect Job. What do you do? Nicholas Lore answers that very question in **Now What?** (Fireside; \$16), an easy-to-use career guide with questionnaires and checklists to make your transition into the "real world" a smooth one.

Can't Buy Me Love

Just how did John Lennon and Paul McCartney (below) write all those Beatles hits? Find out in **Composing the Beatles Songbook—Lennon and McCartney 1957-1965** (MVD; \$20). Using rare footage and interviews with friends, musicians and journalists, this documentary gives an intimate portrait of one of rock's great teams. It includes performances of many of their hits, such as "Yesterday," "Help!" and "Love Me Do."
