Kate's biographer, journalists Kris Needs and Lucy O'Brien, musicologist Chris Ingham and a host of other contributors, revealing a fascinating story behind the album's build-up, production, release, impact and legacy, said to be inspired by the 1950's horror feature *Night Of The Demon*.

Features include live and studio versions of every track on the album, commentary on each song, archival interviews with Kate at the time of the recordings and a whole lot more...
