### Mott The Hoople -The World Story

This is a great insight of one of the greatest bands. This 90 min doc captures The whole career of Mott & all of the Members of the different line-up of the band. With great interview from every member like singer Ian Hunter & guitarist Mick Ralph's & keyboardist Morgan Fisher. even Mick Jones of The Clash who was a big fan tells how they influence The Clash. This DVD tracks also the history of the band & how they broke up. with great live footage & outtakes This is a must for any Mott fan!
