[LISTEN: He's My Brother She's My Sister Can't Wait To Share Debut LP, Offers Full Album Stream](#)

By Staff on January 16, 2013

He's My Brother She's My Sister could not wait until *next* week for you to hear their debut album *Nobody Dances In This Town*, out on **January 22nd** from **Park The Van Records**. *Nobody Dances In This Town* is streaming via [Teen Vogue](#). Check it out, because you don't want to be the only one not signing along to these modern dance-hall anthems.

The album is eclectic in every sense of the word, with songs ranging from brooding and atmospheric to mariachi surf-rock; there is something for every mood and listener. Beautiful harmonies--from siblings Robert and Rachel Kolar--are peppered all throughout the album giving fair opportunity for all wanting to sing along.

The band kicks off their national tour this **Thursday, January 17th** in **San Diego** at the **Casbah** with a special album release show on **January 19th** in **Los Angeles** at the **Troubadour**. The tour takes the band up the west coast and through the south, including a stop in Austin for the annual SXSW music festival. Check out the album, *Nobody Dances In This Town*, courtesy of [Teen Vogue](#), below and find a show near you to sing along at.
