Los Angeles based quintet He's My Brother She's My Sister's debut album *Nobody Dances In This Town* will be released Tuesday January 22nd on Park the Van. Describing their music as "flamboyant folk", brother and sister Robert and Rachel Kolar split vocals (pictured above), while bandmate Lauren Brown simultaneously drums and tap-dances. Oliver Newell and Aaron Robinson round things out on stand up bass and lead guitar. Below are the tracks that keep them inspired.
