The Los Angeles-based psych-acoustic outfit He's My Brother, She's My Sister (<http://www.facebook.com/hesmybrothershesmysister>) is known for its eclectic melange of musical styles, so it's no surprise that the quintet decided to cover The Mamas And Papas hit, "Straight Shooter."

Today, we are excited to premiere the cover. Sang by brother and sister, Rob and Rachel Kolar, He's My Brother (/artists/hes-my-brother/)She's My Sister (/artists/shes-my-sister/) modernize this rendition of the classic single with glamorous vocals and crisp, Americana-tinged instrumentation.

The five-piece is currently on the road, garnering a fan base before releasing its full-length debut this winter via Park The Van Records. Check out He's My Brother (/artists/hes-my-brother/) She's My Sister's tour dates here (<http://www.hesmybrothershesmysister.com/shows.php>) and listen to their cover of "Straight Shooter" below.
