**What he is currently working on:**

A novel, and album, and my sanity

**What good energy means to him:**

Nourishment.

**What instrument has the most soul?**

The soul itself.

**What he thinks there is too much of, and too little of:**

Everything.

**With whom he would like most to go on a “tête à tête”:**

John Cleese (already happened).

Jesus Christ (I definitely have a few questions).

**His most striking moment:**

Getting punched in the face.

**On your life-to-do list:**

Travel Africa.

**What cracks him up:**

Monty Python. Ricky Gervais. Early Christopher Guest movies. *Spinal Tap*.

**The first record he bought with his own money:**

Blur – *Parklife*

**Music acts he recommends that we check out:**

Sure tons. Hallekjah Chicken Run Band. Jessica Lea Mayfield. Arthur Alexander (60's stuff only). Tommy Santee Klaws. Spindrift. RT & The 44's. Amanda Jo Williams.

**What he can't live without:**

Good food.

**What he would like to leave to future generation:**

Inspiration.

**His next challenge:**

What to do next.

**His Hero:**

I have many. Anyone who takes a chance, follows their instincts and doesn't back down when tested.

**Robert's WILD Wish:**

To be able to live my dreams.
