

Chick Corea - *Elektric Band* 4/3

O's Notes: Corea's Elektric Band has been around since the late 1970s and received many accolades along the way. It serves as Chick's foray into jazz-fusion. Dave Weckl plays drums with John Patitucci on bass. And Corea mans an array of electronic keyboards. They perform five lengthy selections during this concert at Iowa State University. Seeing Chick perform gives us a view into his enthusiastic engagement as he dances and coordinates his band. He picks up the Yamaha guitar based keyboard for "Rumble" and duels with Patitucci on one of the beat of the set! It's a solid peek into Corea's Elektric Band.
