"Linnea Quigley - Grindhouse Triple Feature" DVD

Scream Queen Trash Trilogy

First off, this isn't what's normally termed "grindhouse" -- it's more like eighties-era exploitation, of the type shown on late-night TV. That aside, legendary scream queen Quigley stars in these three trashy, sexy, horror-edged films. Expect plenty of eighties stereotypes here, and some of this footage looks to be sourced from VHS or laserdisc, but it's all more than watchable.

First up, "Nightmare Sisters" is probably the most memorable film. It's the tale of three nerdy girls who come into possession of a demonic crystal ball that transforms them into sex-starved vixens. Their party (with three nerdy guys) becomes, well, a bloodbath. There's plenty of topless action from Quigley and co-stars Michelle Bauer and Brinke Stevens, including a steamy triple-girl bath. Good, solid, trashy fun!

"Deadly Embrace" is pretty forgettable, and borders on murder-mystery. Stunning cougar wife Ty Randolph seduces her studly gardener (played woodenly by Ken Abraham, who spends more time grooming his hair than he does acting). Abraham's unwitting girlfriend (cue Quigley's character) gets involved, and things get hairy. Again, some steamy sex scenes ensue, but the faltering plot (straight from a cheesy romance novel) and poor acting leave this one D.O.A..

Finally, "Murder Weapon" is a confused and hackneyed murder thriller featuring a pair of girls (both daughters of murderous mobsters, no less) who leave a mental hospital only to hold a massive party with all of their old boyfriends. Sounds like a good idea, right? Well, the party gets a bit out of hand, and boyfriends start ending up dead. Some reasonably bloody gore is here, and there are plenty of yummy romps with Quigley and her co-star, the shapely Karen Russell.

Quigley fans will need this inexpensive collection, and fans of sexy horror with a B-movie twist will, without a doubt, be pleased.
